Kelly & Norman are meeting 3-10-15 with WCBC in Nashville about Madagascar Radio Broadcast: Pray: We have the opportunity, for about \$300 a month, to get in on the start, from day one, with World Christian Broadcasting which is a Church of Christ organization that will begin broadcasting in 2015 from the Island of Madagascar in the Indian Ocean. They will have four to five billion people in their broadcast area. While we in the United States mainly listen to long wave radio broadcast on AM & FM radio stations the rest of the world listens to short wave radio. It is estimated that there are 2½ to 3 billion short wave radios in the world today. At any one time it is estimated that one billion of those radios are turned on and that there are an average of three people listening to each radio. Last month 71 countries visited website. How did they know about us but for Radio?
