How to Set Up a New Testament Church in your Home

If the Church of Christ does not exist in your community, you should start now
Worshiping in your home and asking others to come meet with you. As Jesus said
Luke 14: 21 ... Go out quickly into the streets and lanes of the city, and bring in
hither the poor, and the maimed, and the halt, and the blind. The Church of Christ is
not a building, ... the Church of Christ is the people of Christ who have come to
Christ biblically in the appointed way. The Church of Christ is not a denomination, it
is the one true fellowship you read about in Romans 16:16 If the Church in its true
form exists where you live, it might not be advisable to start a new congregation ...
on the other hand if there is not a Bible believing faithful congregation in your area
... or if you just don't fit and you have stopped assembling then you have the
responsibility to begin worshiping God properly yourself and thereby establishing
the Church in your home Jesus did not commission us to go into all the world and
build gothic cathedrals or church buildings ...
