## **The Parable of The Talents**

**In this parable of our Lord, four things may be considered:**

- I. The master who distributes the talents. His kindness. He distributes these goods diversely. He distributes his talents with Wisdom.**
- II. The servants who improved their talents. These persons are termed slaves, such as were the property of the master, who might dispose of them as he pleased. Then he that had received the five talents went and traded ... Matthew 25:16. The work was speedily begun; The work was perseveringly carried on; after a long time the lord of those servants cometh, Matthew 25:19. Their work was crowned with success. Luke 2:52. They were ready to give in a joyful account when their master came and called for them Matthew 25:21.**
- III. The servant who buried his talent Matthew 25:18. See the ingratitude of this servant, his idleness, his gross error, his injustice. Hear the absurdity of his reasoning Matthew 25:24.**
- IV. His punishment. He is punished with an everlasting separation from God and the glory of his power. Cast forth the unprofitable servant, Matthew 25:30. Let him have nothing but darkness, who refused to walk in the light: let him have nothing but misery - weeping and gnashing of teeth, who has refused the happiness which God provided for him.**

## **Church of Christ - Radio Madagascar Two 100,000 Watt Transmitters**

As Charles Caudill said WCBC has grown from "just an idea" to a ministry with offices on three continents and influence on every continent. The original dreamers, he said, had vision. "No, they probably didn't see World Christian as it is organized today with state-of-the-art broadcast centers in Alaska and Madagascar, or with a programming center with the latest equipment and the finest talent in our fellowship in Franklin, Tennessee. Paraphrasing the words of Abraham Lincoln, Caudill concluded, "It is for us to be dedicated to the unfinished work which they have thus far so nobly advanced. It is for us here to be dedicated to the great task remaining before us—that this dream will continue to live and grow, and with God's aid the word of God will be preached to every person on this planet in this generation." WCBC is almost ready to be connected w/these two transmitters, which will make it possible to send broadcasts from the \$11 million station. This will enable us to reach more people with the gospel than any time in history. The 10/40 region of the world (between the 10th & 40th degree latitudes) w/be our focus. God's timing is always perfect. Broadcasts in Russian, Mandarin Chinese, English & Spanish will cover areas of the world currently not reached by the Alaska station. They will be adding Arabic, English for Africa, & prayerfully plan to add Portuguese. India, South America, Africa, Europe, the SW parts of China, Russia & western Asia will be covered everyday with messages of hope & the gospel story & the salvation that it offers will be heard for the first time by countless millions. PRAISE GOD INHIGHEST!! Contracts coming on World Wide Christian Radio too.
